Set the Stage at

CENTAUR

THE
DIRECTOR'S
CIRCLE

CentaurTheatre.com

There is one reason that Centaur Theatre has been able to put the most relevant and entertaining stories on stage in the heart of Montreal for 50 years—and that reason is the loyalty of you, our incredible patrons. Every year you help us to set the stage for theatre magic. Whether it is a comedy or a drama, whether the show needs music or puppets, your contribution as a member of the Director's Circle makes it happen. It is as simple as that — we cannot do it without you. The best part is that your donation is **tax-deductible** and entitles you to terrific **benefits** that open up the world of the theatre in ways only available to Director's Circle members.

So please join us in our 50th Anniversary season and become part of everything that you see on the stage from sets, to sounds, to talented artists that reflect the beautiful diversity of Montreal. Together we can make Centaur the place in the heart of our city where we come together for inspiring and essential theatre.

“Kris and I have been very enthusiastic Centaur supporters for many years. We feel that Centaur plays a very important role in the Anglophone community with its dedication to providing terrific entertainment for us all. Our favorite shows that come to mind are *The 39 Steps*—terrific acting, *Mambo Italiano* and *Balconville*.”

“The quality of the plays, the production, the execution and the music are always outstanding. Some of our personal favorites were *Bus Stops*, *Butcher*, *The Carpenter’s Trilogy*, and *The Daisy Theatre*. We have always been pleased with the way we have been treated as patrons and we believe it is a must to support our beloved Centaur Theatre.”

“Centaur Theatre has the power to bring people together from all ages and backgrounds through their brilliant plays. I remember watching *The Baklawa Recipe* and going through all types of emotions. Not only was I able to connect with the story, but it also showed me how theatre can be a fun and thrilling experience!”
